.22 Option AA (MCI Flat Rate)<sup>1</sup>

Option AA (MCI Flat Rate) is an outbound and inbound, multipoint service for single or multiple location customers. Customers may access the Company network using Dial "1" origination and/or inbound service using 800 termination. Upon enrollment, customer must designate a term plan option, with either a month-to-month, one-year, or two-year commitment. No discounts will apply to this service. Outbound Option AA calls may originate and terminate anywhere within the state. Outbound calls are dialed without assistance of an Company operator. (D)

Inbound Option AA calls are made through a designated 800 number, and the Option AA customer is billed rather than the call originator. All calls are subject to a 60-second minimum initial period and are then rounded to the next higher 60-second increment. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent. MCI Flat Rate intrastate service is an add-on to Company's interstate MCI Flat Rate service (Option EE), and all terms and conditions, features and fees will apply as described in Company's website at www.mci.com. This schedule applies only to intrastate usage and Directory Assistance charges. By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, including but not limited to as a wholesaler or aggregator. (D)

.0221 Usage Charges: Applies to all rate periods.

.24 Option AC (Advanced Option I for Small Business)<sup>1</sup>  
 Option AC (Advanced Option I for Small Business) is an outbound and inbound, multipoint service for single or multiple location customers. Customers may access the Company network using Dial "1" or inbound service using Toll Free origination. (D)  
 Customers are subject to the terms and conditions as outlined in [Www.mci.com](http://www.mci.com) and upon enrollment, must designate a term plan option, with either a month-to-month, one-year or two-year commitment. No discounts will apply to this service. Outbound Option AC calls may originate or terminate in the state. Outbound calls are dialed without assistance of an Company operation, except for calling card calls originating from a rotary phone, and do not include calls as specified in Section 3.11. Inbound Option AC calls are made through a designated Toll Free number, and the Option AC customer is billed rather than the call originator. All calls are subject to a 60-second minimum initial period and are then rounded to the next higher 60-second increment. If the computed charge includes a fraction of a cent, the fraction is rounded to the nearest whole cent. Intrastate Option AC is an add-on to Company's Interstate offering of Advanced Option I for Small Business. All terms and conditions, term plans, optional features, fees, discounts and surcharges will apply pursuant to Company's website at <http://www.mci.com/service/>. By subscribing to this service, Customer understands that use of this service is restricted in the following manner: Customer may not resell the services in any manner, including but not limited to as a wholesaler or aggregator.
