Kingman, Az 86409

Gentlemen:

The people of Kingman are very worried about water here.

We feel allowing Jim Rhodes + Leonard Mardian to build the amount of homes they plan is not only a terrible thing for the county by putting so very many people into this area at one time, but, a disaster when it comes to our water supply.

Check on Jim Rhodes in Las Vegas, Nv. He is not a highly respected developer there. In fact, some there consider his building there criminal.

Please, please do not let them build more homes than our water supply can handle. If anything, go to the conservative side on this problem.

Thank you for listening,
