RE: Late Application of Arizona-American Water Co.
Docket # WS-01303A-02-0868

~~Dear Sir,~~

My husband and I lived in Sun City for 6 years. During that time our monthly bill was $21 to $25. Then, American Water Co. bought the water company (which was making enough profit for them to buy the company) and in a few months decided it now needs a raise of 88.81%.

The majority of the residents in Sun City can hardly pay for their medicines.

If American Water Co. can't make a decent profit, they should sell the business to someone who can.

We all live on a budget and can't afford an 88.81% increase. This is outrageous! Please help.

Sincerely,
Dolores Washchuck
