DOCKETED BY

Gentlemen:

I have read in a local paper that the Arizona-American Water Company has applied to you for a rate increase of over 44%.

With inflation so low it would seem hard to justify so huge a rate increase. I suspect that this may be an attempt of that company to raise additional capital needed to provide service to the new housing developments in Surprise.

I request that you deny such a high rate increase. Thank you.

Sincerely yours,

Don Stanton
