Mark Spitzer:

this letter is to let you know that in the last Two Months I feel that the Mt Tipton Water Co. in Dolan Springs has over Charged the Coustomers. their base rate is $2.45 Per thousand Gallons in Sept. I used 3,060 Gallons I Paid for 4,000 Gallons in aug. I used 2,270 Gallons I Paid for 3,000 Gallons they tell me that the A.C.C. has ordered them to Charge $2.45 More if the useage is only one Gallon over the Thousand is used. this is a wind fall for the Co, and a rip off for the Coustomers I ask that you and your Committee Change this.

Thank you
