Honorable Jane L. Rodda:

We were not notified about a meeting concerning the city's sewer project, on June 29th - 2005. A reasonable rate for home use sewer, in this Valley should not exceed $15.00 per month.

I reject the application for certificate of convenience and necessity: Docket SW-0430 5A-05-0086 authority to issue short and long term debt; Docket SW-04305A05-0087, BHP should be required, by law to bring this sewer plant up to par before any such Transfer be made.

Thank you for listening. The meeting should have been held here in San Manuel!

Sincerely,
F.W. Norton
