Re: Decision No. 70567, Docket No. RE -00000A-07-0608
2013 Net Metering Compliance Report

Pursuant to A.A.C. R14-2-2308, prior to May 1 of each year, each Electric Utility shall file a report:

1. Listing all existing Net Meter Facilities and the inverter power rating or generator rating as of the end of the previous calendar year.
2. For each existing Net Metering Facility, the monthly amount of energy delivered (Generated) and from (Delivered) the Electric Utility and, if available, the monthly peak demand delivered to and from the Electric Utility.

Decision No. 74176 (Docket No. E-01787A-13-0220) approved Navopache Electric Cooperative's Net Metering Tariff.

Please find enclosed an original and thirteen copies of NEC Net Metering Compliance Report *for* the calendar year 2013. NEC's Report does not include monthly demand information as this is not readily available or gathered by our meter reading system.

Please feel free to contact me if you have any questions.

Respectfully,

RECEIVED
