Mr Gleason

I don't think the AZ Water Company needs the big raise they are asking for + why should the sewer rate be raised? at all.

All these raises are really hurting people. Now the Co is going to stick the property owners with a health tax. It should have been put on as a state tax for everyone to help pay.

The electric Co talking of a raise. Where does it end? People out of work, medical bills going up and the Sr big Social Security raise will not make a dent in all of these Companies wanting raises.

My S.S raise last year was $2.00 a month. My property tax went up this year.

Its a case of Gov in all forms that just figure if they spend spend spend just raise taxes. Yet they have money for sports stadiums that the owners + players should pay for.
