Attn: Brad Morton

Dear Sir;

This letter is in reference to the proposed Gold Canyon Sewer rate from $35 to $70.34 a month. This idea is preposterous! Not everyone living in Gold Canyon is a millionaire!

My husband and I live on a fixed income with a little savings. We are having a hard time paying our bills as it is. Hence, I had to go back to work. $35.34 might not seem like much money to a lot of people, but to us it is a great sum.

Please use common sense and defeat this ridiculous, unfair proposal!
