Read your notice only 3 Times to really understand it (I am not way smart!) Lots of $5 words. Anyway reading between the Line, ALL you want is to increase our Electric Bill. Why don't you say so? Look at my record, most of the time I pay more with all your funny charges than I use electricity! (That is not right anyway)

Of course I am against increase anyway!

I am only a customer.

I do want to be invited January 8. 2007 To voice my opinion. Black Tie, or casual?

* By the way this is about you wanting to Amend Decision No 62103.
