RE: Arizona Corporation Commission
Docket # E-01704A-06-0783

As a customer of UniSource Energy Services, I beseech you not to grant this corporation a 5.43 percent increase in revenue.

When this company took over the electrical system from Citizens, they received a near 22% or so raise and they should have used that money to solve ~~my~~ any of their problems.

In Lake Havasu City, the sewer bills are terrible and I am on a limited income (Retired) and sick of the inflation caused by these utility companies.

Please deny all utilities any more money at this time.
