Subject: Arizona Water Company requested increase
Docket # W-01445A-02-0619

Gentlemen:

We would like to register our thoughts on this matter of a 25% rate increase to Arizona Water.

We planted a small amount of desert vegetation and desert trees. No lawn but a very small flower bed. Everything on a drip system. So we really shouldn't be using a great amount of water, yet our bills are still around $50.- per month. Arizona Water wants to raise it to $75.00 per month?

Please register our protest as we have never paid anywhere near what we pay now, even when our family was larger and we had lawns!

Thank you for taking your time to listen to our opinions.

Sincerely, Mr. & Mrs. Robert Netzley
