Re: Docket No W-01445A-02-0619

As Residents of Arizona and Bisbee, we are against the large water rate increase. If the increase would be 10% we could live with that amount.

You have to take in consideration all the elderly, like us when increasing water rates or any other rates in outrages amounts.

Sincerely,

Andrew + Olga Moravitz

60 Pinal Dr.

Bisbee, Az 85603.
