Dear Sir:

(We) I am (are) customers of Arizona Water Company here in Superior and agree that maintenance has to be done to keep the water lines and/or meters in proper order to be fully operating; but this maintenance should be done on a regular basis, as from week to week, not all at once, especially now when people here in Superior are on an "economic crunch". Just this January our increase in Soc-Security was 1.5% increase (last year it was 2.5%). Do you see how this compares with the increase that Arizona Water Company wants to increase? There is no comparison! Please negate!

(We) I have already informed Arizona Water Company our feelings on this increase proposition in writing!

Truly yours, The Arnold Marquez family
