I am a senior (72 years) on a very low fixed income and on assistance as well. I am writing this short letter to you corporate Commissioners to hear my plea. am the only one in my house hold, but still my gas bill (in summer months) runs me Thirty ($30.00) dollars plus. This is terrible and totally unacceptable. However it seems I'm not in control of any cost or fees, So hence this letter to you. Please say NO to any and all increase requests you receive - Ref: utilities. I understand Southwest Gas Co. is now and once again requesting yet another cost increase. Please Say NO! Thank you for your time and consideration in this matter.

Sincerely,
