Re: Consumer comments supporting Energy Efficiency programs in Tucson Electric Power's Energy Efficiency Implementation Plan, E-01933A-11-0055

Dear Chairman Pierce and Commissioners:

As a human being, I have had enough coal parts per million, which has become dangerous to health and life for all beings on this planet.

The science is clear. Please, if nothing else, educate yourself on all sides of the issue and realize that one life and health is more valuable than profits and greed.

Let your ego rest a moment and open your mind. Your family and friends are exposed to these poisons as well.
