Arizona Corporation Commission

Re: Southwest Gas Energy Efficiency Plan
~~G-01551A-11-0344~~ & G-01551A-10-0458

Dear Commissioners,

It is well-documented that energy efficiency is the most cost-effective way to reduce bothe electricity and natural gas usage in Arizona.

Please vote to implement the full 6% energy saving measure and fully fund it this year.

Sincerely,

Wayne E. Porter
Co-Founder
Practical Energy for Rural Communities
