Docket # S20855-A-12-0393

0000139442

ORIGINAL

To whom it may concern

I Morrie Friedman pursuant to A.R.S. 44-1972 and A.A.C. R. 14-4-306 am requesting a hearing on the notice I was serviced with. I have had a number of family problems and am requesting time at least 90 days to retain an atty. I at this time have no funds, but am talking with various attys who may represent me.

At this time I don't wish to make any statements concerning the statement that have been made. None are under oath, nor have any names been stated. I will state that what I have read, is so far from the truth it's not funny. Thanking you in advance
