DEAR COMMISSIONERS:

AS USUAL YOU HAVE DONE THE WRONG THING SIMPLY BECAUSE YOU WANT TO PROTECT AND STAY IN BED WITH THE UTILITY CORPORATIONS SINCE THEY ARE MORE POWERFUL AND HAVE BILLIONS OF DOLLARS INSTEAD OF DOING THE RIGHT AND MORAL AND ETHICAL THING WHICH IS PROTECTING PEOPLE'S HEALTH. ALL ARIZONA UTILITY CUSTOMERS NEED THE CHOICE TO OPT-OUT OF THESE HEALTH DAMAGING SMART AND ALL OTHER WIRELESS METERS!! AND ALL ARIZONA UTILITY CUSTOMERS MUST BE OFFERED NON-COMMUNICATING ELECTROMECHANICAL METERS!! WE WANT THE ANALOGS BACK!!! IT IS ALSO TYPICAL OF YOU POLITICIANS TO PUT THESE GUIDELINES THROUGH AFTER MAKING PEOPLE THINK YOU MIGHT DO WHAT'S RIGHT AND THEN JUST SLYLY PUT IT THROUGH AND DO NOT DO WHAT'S RIGHT. PEOPLE — MORE AND MORE PEOPLE — ARE BECOMING VERY SICK ELECTRICALLY AS WELL AS CHEMICALLY AND YOU JUST WRITE THEM OFF!! YOU ARE MAKING THESE PEOPLE HAVE GO WAY OFF SOMEWHERE OUT IN THE MIDDLE OF NOWHERE JUST TO SURVIVE AND EVENTUALLY WE WILL HAVE TO SEARCH FOR ANOTHER COUNTRY THAT WILL NOT PUT OUR HEALTH AT RISK. HAVE TO LEAVE THE U.S. OF A. — OUR OWN COUNTRY!! THERE IS NOTHING RIGHT ABOUT WHAT YOU ARE DOING!! THE ARIZONA CORPORATION COMMISSIONS MOTTO SHOULD BE:

"DAMN PEOPLE'S HEALTH, WE WANT MORE GREED AND TO STAY IN BED WITH THE UTILITY CORPORATIONS IN ORDER TO GET MORE KICKBACKS"

PLEASE CHANGE YOUR GUIDELINES!!!

VERY TRUTHFULLY AND SINCERELY,

RANDY HUMBER - Randy Humber
