Re = Docket No. E-00000C-11-0328 Smart Meters

DOCKETED BY

Dear Commissioners,

I, Helena C. Carter am SEVERELY ELECTRO-HYPER SENSITIVE. Electricity is a clean source of power, however it will do severe health damage with the installation of a Smart meter - Prescription from Dr. Sean Wilson, M.D. - NO SMART METER for HELENA CARTER.

Main objectives for the Arizona Corporation Commissioners to consider:
1st. An opt-out must include all Arizona utility customers, regardless of metering technology.
2nd. All opt-out participants - such as myself Helena Carter - must be offered a NON-COMMUNICATING ELECTROMECHANICAL METER, as I have today.

I would like to kindly REQUEST TO LEAVE the METER I have now in place. I AGREE TO PAY A TARIFF that would recover the appropiate cost of the man/woman who would come to read my ELECTROMECHANICAL - NON-COMMUNICATING METER.

Thank you in advance for your consideration.
Yours truly, Helena Carter, date Nov. 30, 2012
