**APPLICATION FOR LEAVE  
TO INTERVENE**

Pursuant to Arizona Administrative Code ("A.A.C.") R14-3-105, the **Arizona Cogeneration Association** hereby makes application for leave to intervene in the above-captioned proceeding.

1. The purpose of the Arizona Cogeneration Association, a non-profit organization, is to encourage the production of cogeneration and small power production in Arizona in an effort to conserve natural resources and to optimize the efficient use of facilities and resources.

2. Intervention in Docket U-1345-95-491 (Arizona Public Service Company's Rate Reduction Agreement) and Docket E-01345A-01-0822 (Arizona Public Service Company's Request for a Variance of Certain Requirements of A.A.C. R14-2-1606) was granted to the Arizona Cogeneration Association.

3. The Arizona Cogeneration Association (d.b.a. Distributed Energy Association of Arizona) was a participant in the Distributed Generation and Interconnection Investigation Workgroup (Docket No. E-00000A-99-0431) in 1999 and 2000.

4. Cogeneration, small power production and distributed generation in Arizona will be impacted by the Arizona Public Service Company request for approving rate schedules. Changing the competitive market place may discourage the use of these technologies.

5. Intervention by the Arizona Cogeneration Association will not unduly broaden the issues or delay the proceeding.

6. The Arizona Cogeneration Association requests that all pleadings, correspondence, discovery, and other documents be served on the following:

Bill Murphy, Vice President AZCA  
Murphy Consulting  
2422 E. Palo Verde Drive  
Phoenix, AZ 85016  
602-703-8163  
Fax 602-468-0883  
billmurphy@cox.net

WHEREFORE, the Arizona Cogeneration Association requests that the Commission issue an ordering granting intervention in the above-captioned proceedings.

Respectfully submitted this August 15, 2003.

  
Robert Baltes, President  
Arizona Cogeneration Association
