Docket E-01345A-13-0069 Opt-Out Schedule

Dear Commissioners:

I appreciate the 'Smart Meter' opt-out. However, the $30 monthly fee is too high.

I am a retired senior on Social Security, living on less than $1,000 per month. From this I pay rent and utilities.

The people opting out for reasons of privacy and security have my respect. However, my need is primarily medical. I have already sent you and APS a copy of my doctor's statement with my opt-out letter.

A zero-dollar fee would be reasonable, but I understand $5-$10 per month is more typical. Thank you for your consideration.
