Re: Decision No. 70567, Docket No. RE-00000A-07-0608
2013 Net Metering Compliance Report

Pursuant to A.A.C. R14-2-2308, prior to May 1 of each year, each Electric Utility shall file a report:

1. Listing all existing Net Metering Facilities and the inverter power rating or generator rating as of the end of the previous calendar year;

2. For each existing Net Metering Facility, the monthly amount of energy delivered to ("Generated") and from ("Consumed") the Electric Utility and, if available, the monthly peak demand delivered to and from the Electric Utility.

Decision No. 71462 (January 26, 2010) approved Trico Electric Cooperative Inc.'s ("Trico") Net Metering Tariff. Please find enclosed an original and thirteen copies of Trico's 2013 Net Metering Compliance Report for the period January 2012 through December 2012. Trico's 2013 Net Metering Compliance Report does not include the monthly peak demand delivered to and from the Electric Utility, as this information is not readily available for Trico's Member/Customers participating in its Net Metering Tariff.

Please contact me if you have any questions.

Sincerely,

Laree St. Onge
