ORIGINAL

My name is Denise Carpenter and I've been a property owner for over 50 years in Flowing Springs near Payson, Arizona. I am writing to protest the 118% water rate increase proposed by the Payson Water Co. It appears that Flowing Springs residents are being unfairly expected to subsidize the high costs of providing water to other area communities (Mesa del Caballero) without any benefits provided to us. There have been no improvements to our infrastructure nor changes to the pumping of our water from the ground 1/4 mile from our homes.

I am requesting a full investigation into this proposed rate hike be made and information be made available to all customers of Payson Water Co. Thank-you.

Sincerely, Denise Carpenter
