DOCKET NO. E-01345A-13-0248 **ORIGINAL**

For The Record: 10/19/13

Executive Director, AZ Corp Commission Jodi Jerich,

Please record my objection to Net Metering.

I am a small business owner here in AZ and do not believe that subsidizing solar power at the expense of consumers is fair.

This is not a free market system. Please reform this practice. It not fair or substainable. Bob Thomas, 85003
