OPEN MEETING AGENDA ITEM

Request for emergency/interim rate relief.

ORIGINAL

I agree with the need for an emergency rate increase for the arsenic treatment facility being leased by MRWC.

It is in my best interest for the treatment to continue, allowing me access to safer water for my household.

I feel Patricia Olsen has done a stellar job in compliance with this mandate in spite of the overwhelming obstacles.

I will gladly, and appreciatively, pay for my portion to help our growing community thrive with healthier water due to her efforts.
