Arizona Corporation Commission

Phoenix, AZ 85007

Dear Members of the Arizona Corporation Commission:

As a resident of Arizona, I am very concerned about the inefficiency in our state's energy use. I am tired of dealing with the effects of increased air pollution and negative public health impacts so for these reasons, I am in full support of the current energy efficiency standard and I am willing to pay more for my utility rates to eventually see improvement! Thank You!

Sincerely,

Jerry Ledin
