Doug Little
Commissioner
DOCKET WS-01303A-16-0145

Dear Mr. Little:

I am a resident of Sun City and an Epcor customer. I object to Epcor's request for full consolidation of their wastewater districts.

Epcor's own figures show their cost to service our current district is $25/month. Consolidation would raise our rate to $40/month. It is not fair to ask us to subsidize other rate payers.

Please vote against full consolidation.

Sincerely,
Susan Klawitter
