Re: UniSource Energy Corporation and Citizens Communications Sale of Assets,

Public Comment Sessions on Reorganization of UniSource Energy Corporation,
Docket No. ~~E-04230A-03-0933~~

Dear Colleagues:

As you all know, we are in the process of scheduling public comment sessions throughout the state in the areas affected by the UniSource reorganization case. In addition to taking comments on the proposed sale, I suggest we discuss UniSource's efforts to renegotiate its purchased power contract with Pinnacle West as well as the company's willingness to allow its customers to obtain wholesale power from a competitive supplier.

I have met with UniSource on these issues and have read the Company's status reports including the April 2, 2004 report. While UniSource has explained its position in these documents filed with the Commission, I believe that it is imperative for the Company to explain the current situation to its customers in an open meeting. Comments from an informed public will help the Commission make wise policy decisions that are in the public interest.

Sincerely,

William A. Mundell, Commissioner
