Subject: APS-PNW rate case

Hello Commissioner Gleason,

Do you have an opinion on the pending APS rate case as it pertains to; 1. APS request for a settlement. 2. The inclusion in rate base of the assets of pwec?

I am deeply concerned that the APS is trying to change the facts surrounding decisions that were made with no prior approval from your regulatory body and the impact it will have on my rates.

Thank you,
Mark Miller
Carefree,AZ
