Re: Beardsley Water Company- Application for an Extension of its Certificate of Convenience and Necessity (CC&N) Docket W-02074A-03-0608

Dear Mr. Crane,

In reference to Beardsley Water Company's Application for an Extension of its Certificate of Convenience and Necessity, dated August 26, 2003, this letter is to inform you that the application has not met the sufficiency requirements as outlined in Arizona Administrative Code.

Please provide the following information:

1. A legal description by township and range of the proposed extension area.
2. A set of the construction plans for the required water facilities.
3. A copy of the itemized construction costs for the required facilities.
4. Identify the Public Water System which will interconnect and expand into the proposed extension area.
5. Provide the last 13 months of historical Water Use Data for the identified system.
6. Identify the current levels of arsenic of each well owned by the Applicant.
7. If any of the wells owned by the Applicant exceeds the new safe drinking water standard of 10 parts per billion provide the Applicant's proposal to resolve the issue.
8. File a curtailment tariff consistent with the form provided on the ACC's website [www.cc.state.az.us](http://www.cc.state.az.us).

Per Arizona Administrative Code upon meeting sufficiency requirements, the Commission has 150 calendar days for its substantive review. This includes conducting a hearing and preparing a proposed Opinion and Order to present to the Commission at an Open Meeting.

Should you have any questions or concerns on this matter, please contact me at (602) 542-0839.
