DOCKET NO. _____

T-03889A-03-0152

APPLICATION TO DISCONTINUE PROVIDING COMPETITIVE FACILITIES BASED AND RESOLD LOCAL EXCHANGE SERVICE

Phone Company Management Group, LLC ("PCMG"), formerly known as Live Wire Net of Arizona, LLC, pursuant to Arizona Administrative Code R14-2-1107, files this Application to discontinue providing competitive facilities based and resold local exchange service in Arizona. In support of this Application, the following is respectfully submitted:

The Commission authorized Live Wire Net of Arizona, LLC, d/b/a Live Wire Net ("Live Wire Net") to provide competitive facilities based and resold local exchange telecommunications services in Arizona Docket No. T-03889A-00-0393, in Decision No. 63382 on February 16, 2001.

Live Wire Net was a wholly owned subsidiary of Live Wire Networks, Inc., a Nevada corporation ("LWN"). LWN sold its membership interests in Live Wire Net, to On Systems Technology, LLC ("On Systems Technology"). LWN subsequently amended its Articles of Organization and changed its name to The Phone Company Management Group, LLC d/b/a The Phone Company of Arizona.

R14-2-1107(A)(1) – Any reasons for the proposed discontinuance of service or abandonment of service area.

On Systems Technology has agreed to sell the customer base of PCMG to DMJ Communications, Inc. ("DMJ"). DMJ was granted authority to provide local exchange services by the Commission in Docket No. T-03571A.

Accordingly, PCMG is applying for discontinuance of local exchange service, because of the sale of its customer base to DMJ.

R14-2-1107(A)(2) – Verification that all affected customers have been notified of the proposed discontinuance or abandonment, and that all affected customers will have access to an alternative local exchange carrier.

At the suggestion of Commission staff, affected customers will be given ninety (90) days notice of the discontinuance of their service by PCMG and transfer of their service to DMJ. The customer notice will follow the format outlined for customer transfers in the FCC rules found in 47 CFR § 64.1120(e)(3). As part of that customer notice, customers will be notified of their right to select a different preferred carrier for the telecommunications services at issue. A copy of the customer notice is attached as Exhibit 1.

R14-2-1107(A)(3) – Where applicable, a plan for the refund of deposits collected pursuant to subsection R14-2-503 (B).

A plan for refund of deposits is not applicable because PCMG has never collected deposits from its customers and its customer base will be transferred to DMJ without any interruption in service.

R14-2-1107 (A)(4) – A list of all alternative utilities providing the same or similar service within the affected geographical area.

In addition to the Incumbent Local Exchange Carrier in the affected areas, Qwest Corporation, a copy of the Commission's list of Competitive Local Exchange Companies and Reseller Local Exchange Competitive Companies are attached as Exhibit 2. The customer notice will contain links to the Commission's web pages listing these alternative carriers.

R14-2-1107(B) – Published Legal Notice

A legal notice of this Application will be published in all the Counties affected by this Application within 20 days of the filing Application with the Commission. A copy of the text of the legal notice is attached as Exhibit 3. PCMG will subsequently file an affidavit of publication with the Commission as proof of its published legal notice.

R14-2-1107(C) – Once proper notice is effected and if no objection is filed, the Commission may grant the application without a hearing.

PCMG requests that the Commission immediately grant this Application without hearing once proper notice is given, and if no objections are filed.
