FROM: Joyce Howard
RE: DMJ Communications, Inc.

AZ CORP COMMISSION
DOCUMENT CONTROL

2004 JUL - 8 A 11: 36

RECEIVED

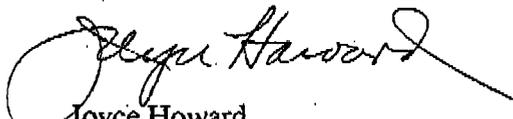

To Whom It May Concern:

DMJ is no longer in business and has not been for almost a year. DMJ's insolvency was the cause of the stoppage of business. There is no office, no officers, no business remaining of any kind.

To my knowledge there were no security deposits collected by DMJ.

I am no longer employed by DMJ and have no further responsibility for the insolvent corporation. The address and phone number where I have been contacted is my home.

Regards,

Joyce Howard
