For each answer, please identify by name, title and address each person providing information that forms the basis for the response provided.

The data requests are continuing and your answers or any documents supplied in response to these data requests should be supplemented with any additional information or documents that come to your attention after you have provided the initial responses.

Mail an original plus 16 copies to Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, Arizona 85007-2927. If no response is received, Staff will recommend that the application be terminated. If the application is terminated, the Applicant cannot provide the same telecommunications services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.
