Re: APS Rate Case; Docket No. E-01345A-03-0437

Dear Commissioner Gleason:

In response to your request at yesterday's Procedural Conference in the above Docket, please find attached specific citations to those portions of the rebuttal testimony of Arizona Public Service Company ("APS" or "Company") that respond to all but one of your previous letters seeking information regarding the Company's rate application. As you are aware, the most recent of your letters, that dated May 10, 2004, was filed after submittal of the APS rebuttal case on March 30, 2004. That letter, along with those of the other Commissioners received after March 30th, is presently part of the ongoing settlement discussions and will be addressed by APS either as part of any agreed-upon settlement or, in the absence of such a settlement, in the Company's next round of written testimony.

Thank you again for your continued interest and please let me know if there are additional questions or issues concerning the Company's rate application.

Sincerely,

Thomas L. Mumaw
