PUBLIC NOTICE OF HEARING ON APPLICATION BY
RED ROCK UTILITIES COMPANY FOR A
CERTIFICATE OF CONVENIENCE AND NECESSITY

On March 20, 2004, Red Rock Utilities, LLC ("Company") filed an application with the Arizona Corporation Commission ("Commission") for a Certificate of Convenience and Necessity ("Certificate"). If the applications is granted, the Company would be the exclusive provider of water and wastewater service within the requested area.

The application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona or in Tucson at 400 West Congress Street, Suite 218, and at the Company's offices, 2200 East River Road, Suite 115, Tucson, Arizona 85718.

The Commission will hold a hearing on this matter on **September 2, 2004 at 10:30 a.m.**, or as soon thereafter as is practical, at the Commission's Tucson offices, **Room 222, 400 West Congress St., Tucson**, Arizona 85701. As a property owner or customer you may have the right to intervene in the proceeding. If you do not want to intervene, you may appear at the hearing and make a statement on your own behalf. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written notice to intervene with the Commission, which motion should be sent to the Applicants or their counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Applicants, a shareholder or member of the Applicants, etc.)
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before August 16, 2004. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any potential customer from appearing at the hearing and making a statement on such customer's own behalf. However, you will not receive any further notice of the proceeding unless requested by you.

If you have any questions or concerns about this application or have any objections to its approval, or wish to make a statement in support of it, mail them to:
