OFFICE OF THE
PROJECT MANAGER

Dear Mr. Romero:

We are writing to you to confirm the selection of TRICO Electric Cooperative, Inc. as the provider of electricity to the Willow Springs Ranch - South Village project, located to the east of State Highway 79 and North of State Highway 77 as evidenced in the attached exhibit. Per our review it is not currently included in a designated service area. We are supporting the application of TRICO to the Arizona Corporation Commission to obtain the extension of its existing Certificates of Convenience and Necessity (CC & N).

At the request of the Arizona Corporation Commission we are providing you with this information and respectfully request that you do not oppose our selection. Should you wish to obtain further information or have any comments do not hesitate to contact the undersigned as soon as possible.

Sincerely,

R. A. (Alex) Argueta
