The Applicant does not have any operating locations at this time, and has not provided a copy of its customer information placard. The Applicant has indicated on its application that it will provide service in accordance with the rates, charges, terms, and conditions contained within the Generic Tariff. Staff recommends that the Applicant be ordered to file a copy of its customer information placard, in compliance with the Generic Tariff, with Staff for approval within 30 days.

Staff believes that, with proper oversight, certain benefits in the form of increased pay telephone availability will accrue to the public, and that the issuance of a Certificate is in the public interest. Therefore, Staff recommends approval of the application without a hearing. Staff further recommends that the applicant be ordered to file a copy of its customer information placard with Staff for approval within 30 days.
