PUBLIC NOTICE OF FILING
PROVIDE COMPETITIVE
INTRASTATE TELECOM-
MUNICATIONS AS A LONG
DISTANCE RESALER
 On December 29, 1999, NetworkIP, LLC (Company) filed an application and petition with the Arizona Corporation Commission (Commission) for a Certificate of Convenience and Necessity to provide competitive intrastate telecommunications as a Long Distance Reseller throughout the State of Arizona at the rates and terms specified in the tariffs filed with the application. The Company's application and petition are available for inspection during regular business hours at the offices of the Arizona Corporation Commission in Phoenix, Arizona at 1200 West Washington Street, and at NetworkIP, LLC, in Longview, Texas at 110 West Tyler Street, Suite 108, Longview, TX 75801.
 Interested persons shall have twenty (20) days from the publication of this notice to file objections to the application and petition. The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in this matter. Persons desiring to intervene must file a written motion to intervene with the Commission within twenty (20) days from the date of publication of this notice. This motion should be sent to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:
 1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
 2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, a competitor, etc.)
 3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.
 A.A.C. R14-3-105 shall govern the granting of motions to intervene. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and making a statement on their own behalf.
 If you have any questions concerning this application, or want information on intervention, you should contact the Consumer Services Section of the Commission by calling 1-800-352-7000.
