Dear Ms. Harris:

On November 13, 1997, New Century Telecom, Inc. filed an application for a CC&N to provide resold intrastate toll telecommunications in the State of Arizona. Pursuant to A.A.C. R14-2-1104(E), the Applicant is required to publish legal notice of the application in all counties where services will be provided no later than 20 days after the application is filed. The Applicant must file with the Commission copies of the affidavits of publication for each newspaper in which public notice in this matter was published.

Additionally, in order for Staff to continue with its review of this application, the following information must be submitted:

- A. Include a copy of your Company's most recent balance sheet, income statement, audit report (if audited), and all related notes to these financial statements.
- B. If the balance sheets you submit do not have retained earnings accounts, please provide this account information on a separate sheet.
- C. Only one set of rates is listed in the tariff. Please send us your current price list and your maximum rates. If no maximum is sent, then the current prices on file will be considered current and maximum rates.
- D. Will your customers be able to access alternative toll service providers or resellers via 1+ or 101XXXX access, if your system becomes non-operational?
- E. Is your company currently reselling telecommunications service in Arizona?

This information must be received by Docket Control within 30 days of the date of this letter. If no response is received within 60 days of the date of this letter, Staff will recommend
