Customer must select, or have selected, GTE Long Distance as the Primary Interexchange Carrier (PIC) in order for customer to subscribe to this service. Distinctive Ring and Area Code Selection are not available with Call Me Toll Free. Customer must have touch tone dialing to complete the toll free call. Minimum Service period for Call Me Toll Free Service is one (1) month.

Residential Toll Free Service provides for residential customers the termination of toll free calls to one-party exchange access lines. The minimum service period for Residential Toll Free Service is one month. Monthly recurring charges and non-recurring charges are set forth in Carrier's Interstate FCC Tariff No. 1.
