**PART II - LONG DISTANCE****SECTION 4 - APPLICATION OF RATES AND CHARGES****4.2 Description of Services (Continued)****4.2.11 Large Business Voice Service (Continued)****4.2.11.2 Large Business Voice Service II****Contract Liability Extension**

If one of the first two conditions and the second and third provision exist, Carrier and Customer may agree to transition Customer to the next lower Annual Commitment level:

1. If after the ninth month in a one-year contract, Customer is not on schedule to reach their commitment level at the end of the 12 months. Or if after the 11th month in a two- or three-year term contract, Customer is not on schedule to reach their commitment level at the end of the first year.
2. Customer must meet at least 75% of the original Annual Commitment level.
3. Customer must have an original Annual Commitment level no less than \$36,000.

Upon agreement by both Carrier and Customer, Customer's rates will be re-negotiated based on the new adjusted Annual Commitment level either before the 12th month anniversary date in a one-year contract or within 45 days after the 12th month anniversary date in a two- or three-year term contract. This commitment term and volume will not be renegotiated more than once in any consecutive 18-month period. In conjunction with this re-negotiation, Customer will be assessed five percent on the actual long distance usage billed for the subject year. For example, if Customer's original Annual Commitment was \$48,000 for a two-year term and Customer's actual long distance usage for the first 12 months is \$38,000, then Customer has the option to adjust the commitment level to \$36,000 for a new two year term. However, Customer will be billed five percent of the \$38,000, which is \$1,900.

If Customer does not re-negotiate the commitment level, the original contract term remains in-place and the minimum annual revenue commitment stated in Large Business Voice I, Section 4.2.11.1E, based on the original contract term, will be assessed.
