RE: VERIZON SELECT SERVICES INC. TARIFF FILING

Dear Sir/Madam:

Enclosed for filing with the Commission are amended sheets to the Verizon Select Services Inc. (formerly GTE Communications Corporation) Arizona C.C. Tariff No. 1. An original and ten copies are enclosed. The purpose of this filing is to amend previously filed tariff pages that were issued on July 7, 2000 and July 21, 2000. The July 7 filing did not accurately reflect our new name, Verizon Select Services Inc. Both the July 7 and the July 21 filings contained numbering errors and did not reflect the proper numbering. The change in numbering was due to our application for a facilities based Certificate of Public Convenience and Necessity. As a requirement for our facilities based Certificate of Public Convenience and Necessity we were instructed to modify our tariff to reflect all original pages. We respectfully request that the amended pages retain their original effective dates of August 7, 2000 and August 21, 2000.

Also enclosed are extra copies of both check sheets and a self-addressed, stamped envelope for your use in returning a stamped "Receipt Copy" to the addressee.

We appreciate your understanding and assistance in allowing us to amend these filings. Please refer any further inquiries about the amended pages to Tommy Curb at 972-465-4016. Thank you for your assistance.

Sincerely,

Donald R. Fowler
Director - Tariffs

PART II - LONG DISTANCE

SECTION 4 - APPLICATION OF RATES AND CHARGES (Continued)

4.2 Description of Services (Continued)

4.2.18 5K Flat Rate Connections Service

This service is no longer available to new customers.

A. General

Business customers who generate \$5,000 - \$9,999 annually in long distance charges can enroll in this service. Service is available for switched voice service only, and offers a fixed rate. Customer must commit to a one-year term plan, and a minimum revenue amount of \$5,000 for that year. Eligible revenue dollars consist of Customer's total domestic and international inbound and outbound usage, calling card usage and surcharges, and Monthly Recurring Charges including usage and charges for this service. After Customer has met his commitment for the contract period, he is eligible to remain with Carrier and receive the flat rate with no further commitment levels to be met as long as there is no interruption in service.

Rates for this service are in Section 5.17.

B. Restrictions/Conditions

Customers on this service will be eligible to participate in the PIC Change Charge Credit Promotion and the Toll Free Plan II Promotion. No other promotions will apply for this service. All other restrictions and conditions for Large Business Voice Service I detailed in Sections 4.2.11 B., C., and D. apply to this service as well, unless otherwise stated. (T)

C. Minimum Revenue Commitment

If Customer does not achieve the annual commitment level for the one-year term, they will be assessed the shortfall difference. For example, if Customer does not meet his \$5,000 annual commitment and bills only \$2,800 in long distances charges, then Customer will be billed the \$2,200 shortfall.

4.2.19 Value Block Plan

The Value Block Plan enables business Customers to purchase blocks of minutes that can be used towards domestic direct dial long distance, domestic toll free, calling card and operator assisted calls. Per minute rates decrease for larger blocks of time. Additional minutes over and above the original bulk packaged minutes will be sub-minute rated, consisting of an initial period of 18 seconds rated as 3/10 of the initial minute rate and additional periods of six second increments, rated at 1/10 of the additional minute rate. Each call will be billed an additional 18 second minimum. Packaged minutes are not usable on collect and directory assistance calls. Unused minutes will be carried over from one month to the next. There is no monthly recurring charge for this option. Customer must be presubscribed to Carrier to take advantage of this offer. (C) (C) (C)

Rates for this service can be found in Section 5.18.
