DOCKETED BY *sd*

Dear Mr. Crockett:

On May 9, 2001, you filed on behalf of your client, OnePoint Services, L.L.C. (one point) One, a "Notice of Commencement of Service" wherein you indicated that one point's predecessor-in-interest began providing service in Arizona on or about June 15, 1997.

In Commission Decision No. 63532, OnePoint was ordered to file certain "Fair Value Rate Base information with the Commission within 18 months from the date it first begins providing service in Arizona. If we were to use the date that OnePoint's predecessor began providing service to establish the date for the Fair Value Rate Base filing, the due date would already be past due. I believe that a more reasonable date would be 18 months from the date that OnePoint filed its application with the Commission (March 14, 2000), considering it was presumably providing service at that time. Therefore, I have established a due date of August 14, 2001 for the Fair Value Rate Base information to be filed with the Commission.

If you care to discuss this, I may be contacted at 602-542-0818.

Sincerely,

Patrick C. Williams
