JAN 22 2001

AZ CORP COMMISSION  
DOCUMENT CONTROL

DOCKETED BY

IN THE MATTER OF U S WEST  
COMMUNICATIONS, INC.'S  
COMPLIANCE WITH SECTION 271  
OF THE TELECOMMUNICATIONS  
ACT OF 1996

DOCKET NO. T-00000A-97-0238

STAFF MOTION TO AMEND  
WORKSHOP DATES

On June 12, 2000, the Hearing Division issued a procedural order instituting workshops on the remaining issues in this case including Checklist Items 1, 2, 4, 5, 6, 11 and 14. On November 21, 2000, the Arizona Corporation Commission ("ACC" or "Commission") Staff requested that the schedule be supplemented with additional Series 1 and 2 Workshops. Subsequently, Staff filed revisions to the schedule on January 5, 2001. On January 5, 2001, Qwest Corporation ("Qwest") also filed a motion to amend the workshop schedule proposing different dates than Staff had proposed in some instances. AT&T Communications of the Mountain States, Inc. ("AT&T") filed a response in support of Staff's proposed workshop schedule on January 8, 2001.

On January 17, 2001, Staff, Qwest and the CLECs had a conference call to try to work out a compromise schedule. The parties successfully worked out a schedule for future Workshops which is set forth below. Therefore, Staff with the concurrence of the parties, respectfully requests that the following Workshop schedule be approved and instituted by the Hearing Division for the remainder of this proceeding.

**Add the following additional Series 1 Workshops:**

- January 29-February 2, 2001      Emerging Services
- February 13-15, 2001      Collocation/Interconnection
- March 5-9, 2001      Loops, LNP and Line Splitting

...

1 April 9-13, 2001 UNE Combinations, Switching and Transport  
2 May 14-18, 2001 Loops, LNP and Line Splitting Follow-up and 272  
3 Issues  
4 May 30-June 1, 2001 General Terms and Conditions Forecasting and the  
5 BFR Process<sup>1</sup>  
6 June 11-15, 2001 Public Interest; Tract A; 272 Follow-up

6 **Add the following additional Series 2 Workshops:**

7 February 5-6, 2001 Performance Assurance Plan  
8 April 2-4, 2001 Performance Assurance Plan

9 As usual, Staff will remain flexible concerning modifications to the schedule depending  
10 upon the needs of the parties.

11 WHEREFORE, the ACC Staff respectfully requests that the Commission modify the  
12 schedule of Series 1 and 2 Workshops in this case as set forth above.

13 RESPECTFULLY SUBMITTED this 22nd day of January, 2001.

25  
26 <sup>1</sup> The only point of disagreement concerned the subject matter for the May 30 -  
27 June 1, 2001 Workshop. Qwest disagrees with examining the SGAT's General Terms and  
28 Conditions in the 271 Workshops. Both Staff and the CLECs believe that it is appropriate to  
review the Terms and Conditions in the 271 Workshops and would be more efficient to do so in  
workshops than in an evidentiary hearing. Indeed the SGAT's General Terms and Conditions is  
the subject of workshops in both Colorado and the Multi-state process. It is Staff's recollection  
that the parties decided to tentatively include it, over Qwest's objections, with the understanding  
that if agreement was reached to handle the issues in another fashion, that will be done.

1 Original and fifteen copies of the foregoing  
2 were filed this 22<sup>nd</sup> day of January, 2001 with:
