DIRECTOR OF UTILITIES

Commissions Office,

Arizona Corporation Commission

DOCKETED

AUG 26 2003

I'm certain half of the
Seniors in Sun City are low
income citizens. What are you
thinking doubling their H₂O Bills?

DOCKETED BY [initials]

They will stop showering,
stop flushing and stop watering
their trees. Those fruit trees
are vital to their health.

Please reconsider, keep
water bills affordable. Lorraine Schmitt
