It is our understanding that Beaver Dam Water Company is the purveyor of water and holds the Certificate of Convenience and Necessity from the Arizona Corporation Commission for Sections 4 and 5 of Township 40 North.

We are interested in Beaver Dam Water Company extending its Certificate of Convenience and Necessity and in obtaining a Line Extension Agreement to the above referenced properties.

The Commission will hold a hearing on this matter. As a property owner, or customer, you may be entitled to intervene in the proceeding. If you do not want to intervene, you may appear at the hearing and make a statement on your own behalf. You may contact the Commission at the address and telephone number listed below for the date and time of the hearing and for more information on intervention. You may not receive any further notice of the proceeding unless requested by you.
