**MOTION TO CONSOLIDATE**

1  
2 GTE Communications Corporation ("GTECC") hereby requests that the Arizona  
3 Corporation Commission ("Commission") issue a Procedural Order consolidating the above  
4 captioned matters. Each involves the same applicant, GTECC, and each seeks a certificate of  
5 convenience and necessity ("CC&N") to provide a form of competitive telecommunications  
6 service. Any evidence provided the Commission as to GTECC's technical and financial fitness to  
7 provide competitive telecommunications services within Arizona would be duplicative in each of  
8 these dockets. Finally, as can be seen by the docket numbers of three of these CC&N  
9 applications, GTECC's applications to provide long-distance resale, competitive local exchange  
10 and alternative operator services have been pending for several years without action by the  
11 Commission. This is only possible because these applications were filed prior to the effective  
12 date of A.A.C. R14-2-1103 (B). Consolidation will ensure that these prior dockets will now be  
13 addressed within the timeframes already applicable to GTECC's most recent filing in Docket No.  
14 T-03258A-00-0326.

15 RESPECTFULLY SUBMITTED this 2nd day of May, 2000.
