**RE: Docket No: T-03846A-00-0143**  
**Decision No: 63536 Dated: March 30, 2001**

**REQUEST TO AMEND ORDER**

Dear Commission:

Pursuant to Decision No. 63536, the Arizona Corporation Commission issued an Order granting LoTel, Inc., d/b/a Coordinated Billing Services a Certificate of Convenience and Necessity for authority to provide competitive resold interexchange telecommunications services, except local exchange services.

The Order provides that "within 30 days of the effective date of this Decision, LoTel, Inc. d/b/a Coordinated Billing Services shall notify the Compliance Section of the Arizona Corporation Commission of the date that it will begin or has begun providing service to Arizona customers."

LoTel, Inc. d/b/a Coordinated Billing Services as of June 21, 2001 has not begun to market its services in Arizona. In December of 2000, LoTel, Inc. moved its customer base to a new wholesale provider, NorthStar Communications. Due to this move, LoTel, Inc. has been unable to determine at what date it will begin to provide service within the state of Arizona.

For the above stated reasons, LoTel, Inc. d/b/a Coordinated Billing Services hereby requests that the Commission amend the above quoted provision to provide that LoTel, Inc. d/b/a Coordinated Billing Services shall notify the Compliance Section of the Arizona Corporation Commission 30 days prior to providing service to Arizona customers.

If you need any additional information or if there are any current matters with which LoTel, Inc. d/b/a Coordinated Billing Services needs to comply, please let me know.

Very truly yours,
