Dear Commissioners:

I am writing to request the Commission schedule a public meeting regarding the renegotiation of the current purchase power contract between UniSource and Pinnacle West. Two meetings, one in Lake Havasu City and one in Kingman, would be ideal. Utility rates are causing major problems for our constituents, businesses and hampering the locating of new industry in Mohave County. The Commission directed UniSource to make every attempt to renegotiate the purchase agreement so that better rates could be passed on to the rate payers.

I have not received any significant information regarding UniSource's efforts to accomplish this and would very much appreciate a public hearing on this issue in Mohave County.

The citizens and I appreciate the prior meetings that you have held in Mohave County. Your concerns for rural Arizona are appreciated. I would be willing to assist in locating suitable meeting space for the Commission's needs.

Please let me know your decision.

Sincerely,

Buster D. Johnson
